

# Volunteer Connection

## Volunteers still needed for the Winter Festival

Saturday, February 20, 2010 from 10:00 am to 4:00 pm

We still need volunteers for the Winter Festival. If you are interested, please call Sue Johansen at 414-527-0232 or email her at [SusanA.Johansen@wisconsin.gov](mailto:SusanA.Johansen@wisconsin.gov). You will receive information about your activities or crafts the first week in February.

Thank you all of you who have already signed up. Here's where we still need some help:

- Thumbprint Mammals (all day)
- Hibernating Bats (morning)
- Back pack Weasel Buddies (afternoon)
- Deer Headgear (morning)
- Fox Headgear (all day)
- Rock-coons (afternoon)
- Plaster Tracks (all day)
- Snowshoe checkout - inside (afternoon)
- Bake cookies for Friends of Havenwoods' bake sale. *Please let us know by the 17th if you plan on baking.*

## Mark your calendars . . .

Saturday, April 24, 2010 is the date of our Spring NatureFest - Earth Day Celebration. We will again need volunteers to help with crafts and activities. We are hoping for spring-like weather this year. There will be more information on how you can help in the upcoming *Volunteer Connection*.

## Havenwoods Needs You

Havenwoods has a small staff and we need volunteers to help us keep this place up and running. A lot of you help at our festivals each year. There are other activities and projects you can help with, too. Most of our volunteer needs are during the spring, summer, and fall. Listed below are some of the projects we need help with, but check out the Friends of Havenwoods website ([www.friendsofhavenwoods.org](http://www.friendsofhavenwoods.org)) for more opportunities. There also are other smaller projects that come up throughout the year, so keep checking the *Volunteer Connection* for those.

Here are some of the ways you can volunteer in 2010:

- Help in our kids gardens - weeding, watering, or assisting with the programs
- Remove invasive plants - garlic mustard, teasel, buckthorn, and wild parsnip are always here to work on
- Pick up litter - especially along the trails and entrance.

Thanks to all of you for your time and energy throughout 2009. We hope to see you volunteering at Havenwoods again this year!
