

Volunteer Connection

Volunteer for WinterFest 2010!

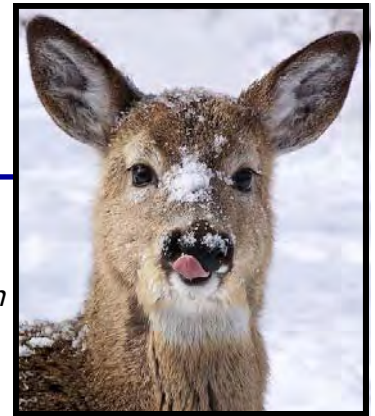

February 20, 10 am - 4 pm

Mammals: **Surviving the Big Chill** - *How do mammals survive the cold of winter? Find out by participating in nature programs, mammal crafts, nature hikes, snowshoeing, horse-drawn wagon rides, and lots of other fun activities. This is an event for people of all ages.*

With our most recent snow and frigid weather, it gets you in the mood to think about the annual Winter NatureFest! We hope you'll volunteer this year.

Once again, we have lots of activities, both inside and out, where you can volunteer. Check out the list of opportunities below to see what you would like to do. Once you've decided, please call (414-527-0232) Havenwoods and ask for *Sue Johansen*. (You can email too - SusanA.Johansen@wisconsin.gov)

As always, we can't make our festivals happen without your help!

Volunteer opportunities at the festival

Crafts

Inside

- Thumbprint mammals
- "Rock"-coons
- Weasel backpack buddy
- Pinecone mouse
- Deer headgear
- Fox headgear
- Hibernating bat
- Plaster footprints

In a heated garage

Help Before the Festival

- Prepare craft materials
- Help with building set-up the week of the festival
- Bake cookies for Friends of Havenwoods' bake sale. *Please let us know by February 5th if you plan on baking.*
- Donate an item for the Friends of Havenwoods' silent auction. ***Please only new*** items, for example hand-made items, gift certificates, bird feeding supplies, *new* books/field-guides, etc. No antiques or "rummage sale-type" items. Thank you!

Annual Deer Removal

Havenwoods will once again remove deer to reduce the herd. The date of the removal is Thursday, January 28 and possibly on Friday, January 29. The Park will be closed during the times of the sharp shooting. Please call Havenwoods if you have any questions.
